Is your staff "Zoomed Out"?

Do your VIRTUAL MEETINGS face one of these challenges?

- The Silo Impact/Effect
- Same old traditional agenda
- Drained and distracted staff

Bring your people together, remotely on purpose

CONNECT · CREATE · ENGAGE

magine **bringing your team together** in a virtual event to <u>boost connection</u>, appreciation, and interaction, while <u>educating and entertaining</u>.

Take Your Seat Around the Table, a team engagement "food-ology" seminar, provides a unique blend balancing unconventional training with conventional learning.

This one-of-a-kind interactive cooking program:

- Eliminates disinterested and multi-tasking staff.
- Skips talking-head meetings and seminars.
- Gives a virtual experience that's conducive for accountability, conversations and engagement.

Bob Pacanovsky, known for catering and executing 25 Pro Football Hall of Fame Inductee Events, delivers a **highly-interactive program** that **satisfies your company's needs**.

Program topics, objectives, and recipes will be **made-to-order** exclusively for your participants, meeting, or event.

Why Bob Pacanovsky?

Combining his Senior
Management and Leadership
knowledge in the hospitality
industry with his 25+ years
providing Black Tie Customer
Service methodologies, Bob's
programs offer clients key
strategies to increase employee
retention and build
stronger teams.

WHAT YOU GET:

- An extraordinary experience that creates a bond with staff, while prepping, cooking, and enjoying the same meal... together, remotely.
- An opportunity to build your staff's confidence and morale as they participate in a start-to-finish guided project (simple-to-follow recipes) to increase collaboration and retention.
- An option to tailor the seminar as an "end-of-day event" to show staff appreciation.

Participants Rave:

Take Your Seat Around the Table was an absolute blast!
 I loved how unique and different it was...
 And I think everyone else had a lot of fun!"

 Executive Director, Ohio Non-Profit Organization

Thank You! I enjoyed it! Bob's program was a neat twist on the typical virtual meeting!"—Area President, Financial Services Company

Food initiates
connectivity,
signifies comfort, and
strengthens community.
(Cornell University)

Food can be used strategically to help people work together and build trust.

(Journal of Consumer Psychology Study)
